

General Policy

The Town of Secaucus and the Secaucus Recreation Department does not collect personally-identifying information about a user except for information that is voluntarily provided to us so that we can serve the user's needs and for legitimate registration purposes. For example, when the user completes an online registration, we need to retain certain personally-identifying information on the Site in order to respond to the registration. A user's personally-identifying information (voluntarily and lawfully submitted in connection with an online registration) will not be sold by the Town to third parties for direct mail or advertising purposes. As a government agency, the Town of Secaucus is subject to open public records laws and disclosure of information provided may be mandated by law.

In no event shall the Town of Secaucus, its officers, employees, agents or assigns, be liable for any direct, indirect, consequential, special, incidental, punitive or other damages, or other losses, costs or expenses or any kind whatsoever resulting from, caused by, or arising out of or in connection with the Capturepoint System, or your use thereof, its contents, or any other cause whatsoever, including without limitation, losses related to the inability to use the System, loss of data, any errors, omissions or defects in the System content, any lost or misdirected notifications/information, malfunction of communications equipment, computer equipment or software, or notifications/information that fails to be transmitted due to problems with servers or transmissions (i.e. cable, satellite, dial-up, etc.), human error or any other cause.
